

<b>Job Title:</b>	<b>Intake Processing Coordinator</b>	<b>Position Type:</b>	Full-Time
<b>Reporting to:</b>	Director of Operations	<b>Location:</b>	Newark, DE
<b>Department/Group:</b>	Front-End	<b>Travel Required:</b>	<5%
<b>Job Description</b>			

The Intake Processing Coordinator is responsible for answering phones, providing customer service, and receiving new and refill prescription orders from practitioners and patients. They will collect and input demographic data, receive and process payment information from clients, receive and relay information to the appropriate department(s) throughout the facility.

**Duties:**

- Answer phones in a friendly and professional manner.
- Receive and record new prescription orders or refill requests from practitioners.
- Take refill requests from clients.
- Input prescription information and patient or practitioner demographics accurately into pharmacy software.
- Answer customer questions within the scope of being a Certified Pharmacy Technician.
- Transfer phone calls to the appropriate person.
- Pay attention to detail and be able to multitask.
- Keep the work area and Intake Department neat, clean, and free of clutter by performing weekly chores as assigned.
- Maintain a safe work environment and exhibit safe work practices.
- Pursue personal development of skills and knowledge necessary for the effective performance of the role. Willing to attend training to further develop relevant knowledge, technique, and skills.
- Perform other related duties as assigned when needed.
- Must have flexibility to work outside normal work hours, as required.
- Embody the Myonex company Core Values:
  - Be a Great Team Player
  - Be Client Focused
  - Learn & Grow
  - Find a Way

**Education & Experience**

- High School Diploma or equivalent.

**Skills/Qualifications:**

**Teamwork**

- Demonstrate and promote a spirit of cooperation and teamwork throughout.
- Continually look for ways to improve processes and enhance customer satisfaction.
