

<b>Job Title:</b>	<b>Nonsterile Compounding Laboratory Assistant</b>	<b>Position Type:</b>	Full-Time
<b>Reporting to:</b>	Nonsterile Staff Pharmacist	<b>Location:</b>	Newark, DE
<b>Department/Group:</b>	Nonsterile	<b>Travel Required:</b>	<5%
<b>Job Description</b>			

The Nonsterile Compounding Lab Assistant is responsible for assisting compounding personnel in fulfilling stock medications, filling supplies and assisting where a helping hand is needed in the nonsterile compounding laboratory at SaveWay Compounding Pharmacy, a Myonex Company (SWCP).

**Duties:**

- Lab assistants will assist with compounding activities and duties while under the direct supervision of the compounding pharmacist or technician. (I.E. pushing out already compounding medication into its final packaging)
- Fulfill stock prescriptions in the queue.
- Restock supplies used throughout the work shift.
- Add chemicals or other supplies to be re-ordered in the ordering tab on TEAMS.
- Putting used API's away in their appropriate location.
- Maintain a safe work environment and exhibit safe work practices.
- Perform other related duties as required.
- Must have flexibility to work outside normal work hours, as required.
- Embody the Myonex company Core Values:
  - Be a Great Team Player
  - Be Client Focused
  - Learn & Grow
  - Find a Way

**Education & Experience**

- High School Diploma or equivalent.

**Skills/Qualifications:**

**Teamwork**

- Demonstrate and promote a spirit of cooperation and teamwork throughout SWCP.
- Continually look for ways to improve processes and enhance customer satisfaction.

**Language Skills**

- Able to effectively present information and respond to questions from customers, coworkers, and SWCP leadership.

**Mathematical Skills**

- Able to work with and apply mathematical concepts and practical situations.
- Able to perform basic algebra and convert units of measure.

<b>Reporting to:</b>	Nonsterile Staff Pharmacist	<b>Location:</b>	Newark, DE
<b>Department/Group:</b>	Nonsterile	<b>Travel Required:</b>	<5%
<b>Job Description</b>			

**Mathematical Skills (continued)**

- Able to perform basic pharmacy mathematics, such as determining amount of medication needed to fulfill the number of days' supply of medication ordered.

**Reasoning Ability**

- Able to actively listen, receive information and/or complaints or inquiries from customers or coworkers, remain calm and professional, and understand when to escalate difficult situations to upper management.

**Customer Service**

- Provide exceptional customer experience. Communicate with customers in a friendly, professional, and patient manner at all times.
- Perform all duties with the goal of building and maintaining long-term customer relationships.
- Immediately address any customer concerns.
- Request involvement of other SWCP personnel as required. Escalate situations to a supervisor as needed.
- Notify Director of Operations, Department Manager, or Pharmacist-in-Charge of any major concerns and the action taken to resolve them.

**Safety**

- Use and promote safe work practices throughout SWCP facility.
- Notify Director of Operations, Department Manager, or Pharmacist-in-Charge of any unsafe conditions or practices.

**Other Requirements**

- Strong organizational skills
- Excellent oral and written communication skills
- Professional appearance
- Mobility within the entire facility
- Able to prove US employment eligibility
- Able to pass drug screening
- Able to pass background screening
- Flexibility to work overtime/weekends, as required

**Commitment Limitations**

- Must not make a non-budgeted, emergency expenditure, or commitment of SWCP

**Confidentiality/Conduct**

- Must not divulge any confidential patient or protected health information (PHI).
